Are you a 'start-up' company looking to win a complimentary place at the Forum?

In collaboration with our supporting sponsor the UK Department for International Trade, the Chamber is funding a select number of leading edge fintech start-ups and SMEs, interested in expanding their business to the UK, to join the British Australian Fintech Forum (BAFF) delegation to London, and participate in a tailored business programme, between the 19th and 21st April, 2017. This prize is valued at over \$7500.00.

To be considered for a sponsored place on the delegation, you are required complete a survey (link below). Completed surveys must be submitted by 1800 (AEST), Monday 6th March.

Eligibility Criteria and T&Cs:

- Your company must be headquartered in Australia and have been trading for at least 12 months.
- Your product or service should have global applicability
- You must be able to demonstrate a genuine interest and ability to establish a presence in the UK within the next 1 to 2 years.
- A fully completed survey submitted.
- One delegate from each successful 'winning' company will receive a return economy flight and 3 nights accommodation (booked by the ABCC).
- All delegates will be required to cover their own living expenses.
- Each 'winning delegate' will be required to pay a \$A750 fee to join the mission. If additional members of the 'winning company' wish to attend, they will be required to register and pay as a full paying delegates
- Successful applicants will be notified via email or phone prior to 17th March 2017.

**FOR YOUR CHANCE TO WIN, COMPLETE THE SURVEY AT:
